The Honorable Rosa De Lauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the US 62-Beech & County Line Road Intersection Realignment in fiscal year 2024. The entity to receive this funding is the Licking County Transportation Improvement District, located at 20 S. Second St Newark, OH 43055. The funding would be used for the realignment of Breech and County-Line Roads to create a north-south corridor which will alleviate safety and congestion concerns. The project is an appropriate use of taxpayer funds because it would address the impending traffic bottlenecks, safety concerns, and delays facing my constituents along these roads.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
Member of Congress
